**INSURANCE AND PAYMENT POLICIES**

**FEES FOR SERVICE AT OUR OFFICE WILL BE REQUESTED AT THE TIME OF YOUR VISIT.**

• **For patients with Dental Insurance:**

Your Dental Insurance is a contract between you and your insurance carrier, not between the insurance carrier and this office.

- We will file your claim for you at no charge. Our office staff will assist you in obtaining the benefits to which you are entitled under your plan. Although, we gladly file dental insurance claims as a courtesy to you, any and all account balances are ultimately your responsibility.
  - Not all services are a covered benefit in all contracts. Some insurance plans arbitrarily select certain services they will not cover.
  - Our office is “in-network” with Anthem, Blue Cross and Blue Shield. Dr. Brad Doi is a Delta Dental Premier member. Dr. Kurt Tsumura and Dr. Sara Kerin are Delta Dental Premier and PPO member.
  - All insurance benefits are assigned to Midtown Dental, unless services are paid in full the day of treatment.
- Please note, for your convenience, we accept VISA, Mastercard, Discover, and Care Credit as well as checks and cash.
